

The Allied Victory

Activity

Part A: Build Vocabulary
Complete Independently

Part B: Complete Time Line from notes

May 1943

- Allies defeated the Axis in Africa by crushing Rommel's forces in Operation Torch

June 1944

- The D-Day invasion marked the beginning of the Allied attack on German-held France.

March 1945

- The Allies crossed the Rhine into Germany, closing in on Berlin.

May 1945

- Germany surrendered, and the war in Europe was over.

August 1945

- The United States dropped atomic bombs on Japan, bringing about Japan's surrender in September and the end of World War II.
