

## Basic Map Elements

Choose a color to represent Mexico. Color the appropriate key box and Mexico on the map. Then use the map to answer the following questions.

1. What information does the map show about Mexico?
2. What elements are included in the map key?
3. Do the symbols on the map represent physical or political features?
4. What is the symbol for national boundaries?
5. What is the symbol for state boundaries?
6. How many Mexican states border the United States?
7. How many miles long is Baja California (Norte and Sur)? How many kilometers?
8. Which Mexican state is located in the area of 25° N latitude and 105° W longitude?
